

These last few goodies, however, are standard to all Mach 1s, which will start at \$51,720 for base models. Adding the Handling Package will run an additional \$3,500 and the 10-speed automatic an extra \$1,595. The manual is a no-cost default. Order banks for the 2021 Ford Mustang Mach 1 open in January, and deliveries are promised in the Spring of 2021.
