Warranty void if serial number label is altered,
removed, replaced or defaced!

If purchased in the USA: JL Audio's Limited Warranty is void if this product is not purchased directly from an Authorized JL Audio Dealer. Not sure if you're purchasing from an authorized dealer? Visit our website at www.jlaudio.com and click on "Dealer Find" or call (954) 443-1100 for authorized dealer verification.

Warranty void if serial number label is altered, removed, replaced or defaced!

If purchased outside the USA: Please contact your country's JL Audio distributor for warranty information and dealer verification.

Due to continuous product development, all specifications are subject to change without notice. "JL AUDIO", "NexD", "How we play" and the JL Audio logo are registered trademarks of JL Audio, Inc.

WARNING! This amplifier, when connected to a speaker system, is capable of producing very high sound pressure levels. Continuous exposure to high sound pressure levels can lead to permanent hearing loss. Please protect your hearing by limiting your continuous exposure to high volumes.
