Dear GT350 Owner,

Thank you for your recent purchase of a Ford GT350<sup>®</sup> Mustang. To help you fully appreciate the capability of your vehicle, Ford and the Ford Performance Racing School would like to invite you to participate in our GT350 Track Attack – an exclusive, performance driving experience available only to GT350 owners.

Beginning in the spring of 2020, the GT350 Track Attack will be based at Charlotte Motor Speedway in Concord, NC, featuring a new infield road course.

Anyone who purchased and took delivery of a qualifying GT350 will have one calendar year from the date of delivery to register and attend the GT350 Track Attack program. As the original owner of a new GT350, there is no charge to enroll in the GT350 Track Attack. During the day you will receive classroom instruction and professional, on-track driving lessons from the Ford Performance Racing School instructors.

Travel and accommodations are not included. To learn more about attending and to register for the GT350 Track Attack, visit [www.gt350trackattack.com](http://www.gt350trackattack.com) or contact the Ford Performance Racing School at 435-27-SPEED (77333).

We would also like you to know that Ford and Ford Performance are here for you every mile, offering personalized services to help make your GT350 even more unique.
